## HAWT PRESIDENT MESSAGE

Honorable Members of the Hindu Association of West Texas and Friends,  
Namaste and a very Happy Diwali!

I am deeply honored and delighted to address you on this auspicious occasion of Diwali, the Festival of Lights. Diwali is a time of joy, reflection, and unity. Diwali, with its radiant lamps and colorful fireworks, is more than just a festival; it is a testament to the values that bind us together. It teaches us the importance of family, community, and the power of knowledge.

The values of Diwali are not limited to one community or one faith; they transcend borders and beliefs. The message of this festival is universal, touching the hearts of people from all walks of life. It teaches us to be compassionate, to be kind, and to always seek the path of righteousness.

In our diverse and inclusive society, our faith and traditions play a significant role in the rich tapestry of American life. The Hindu community, much like all other communities, has contributed immensely to the cultural fabric of this great nation. We have embraced the values of compassion, inclusivity, and the pursuit of knowledge, which are at the heart of our faith.

On this auspicious day, let us reflect not only on the festivities and the beauty of the lamps but also on the values and teachings that Diwali imparts. Let us use this occasion to deepen our commitment to our community, state, and nation to spread love and unity, and to make the world around us a brighter and better place.

During wars and conflicts, Diwali serves as a beacon of hope and a reminder of the values that can guide us towards a more peaceful future. It is a time when we come together as a community to celebrate:

- **Light Over Darkness:** Diwali reminds us that even in the darkest times, there's hope. Just as a small light can banish darkness, the power of peace and resolution can triumph over conflict.
- **Good Over Evil:** Diwali tells us that good will eventually win over evil. This message is a guiding star, no matter how difficult things are, goodness and justice will prevail over hatred and fighting.
- **Unity and Togetherness:** Diwali emphasizes the importance of coming together as a community. When we support one another and stand together, we create a powerful force for positivity.
- **Compassion and Forgiveness:** Diwali encourages us to be compassionate and forgiving.
- **Knowledge Over Ignorance:** Diwali teaches us to seek understanding and knowledge. Ignorance often fuels hostility, while knowledge can lead to peaceful solutions.

The Hindu Association of West Texas is a shining example of culture, spirituality, and community service. It's my honor to serve as your President, and together, we'll continue to build bridges, celebrate our culture, and make a positive difference in our community.

I extend my heartfelt wishes to all of you for a Diwali filled with light, love, and laughter. May the glow of the Diya's guide you on the path of prosperity and may the blessings of this sacred festival bring peace and harmony to your homes.

Wishing you Happy Diwali to you all!

**Kalpana Prasad**
